This program is designed for massage therapy students and graduates of a 2200-hour massage therapy program.

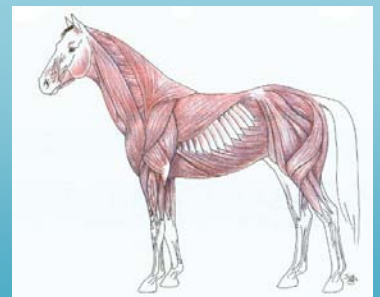

The goal of this course is to complement the services of veterinarians and will work towards strengthening the total delivery of quality of life care to our canine companions.

The course instruction is to include:

- Equine Anatomy and Physiology, Biomechanics
- Common Medical Disorders
- Equine Assessments and Massage Techniques
- Proper Handling and Communication Procedures
- Remedial Exercises and Homecare

**Course Requirements to receive certification:**

- Attendance during all of the 115 hour Large Animal Massage Therapy program.
- Completion of assignment package within three months following the last day of course instruction
- Pass written examination held on the last day of the course.
- Pass practical examination held on the last day of the course.

**Course Instructors:**

**Sharon Jones-Gilmore**

**BA, RMT, AMT**

Certified Animal Massage Therapist
