

Atlantic College of Therapeutic Massage

Canine Massage Therapy

Canine Massage Certification

This program is designed for massage therapy students and graduates of a 2200-hour massage therapy program. The goal of this course is to complement the services of veterinarians and will work towards strengthening the total delivery of quality of life care to our canine companions.

The course instruction is to include:

- Canine Anatomy and Physiology
- Canine Biomechanics
- Breed Descriptions
- Common Medical Disorders
- Canine Assessments and Massage Techniques
- Proper Handling and Communication Procedures
- Remedial Exercises and Homecare
- Internship
- Legal and Ethical Issues

Internship/Course Requirements to receive certification:

- Complete 20 hour Canine Massage Internship;
- ACTM will provide internship placements;
- *The Massage Therapist has the option of finding his/her own internship placement prior to the commencement of the internship, ACTM will provide the Massage Therapist with an agreement that must be signed by the Veterinarian;*
- The internship must be completed within six months following the last day of course instruction;
- All course work completed within 6 months following the last day of course instruction
